

How You Can Support the Propane GAS Act

Autogas for America strongly encourages all stakeholders and their fleet contacts to get involved in this grassroots effort. To participate:

1. **Both fleet managers *and* non-fleet stakeholders can download** the appropriate letter template provided by Autogas for America and the NPGA (Please feel free to customize letters) on the “Carry the Flag” page: <http://autogasforamerica.org/join-us/carry-the-flag>
2. Change the address and addressee to match your U.S. Senators and Member of the House of Representatives. Contact information below:
If you do not know who your U.S. Senators are, visit <http://www.senate.gov>.
If you do not know who your U.S. House Representative is, visit <http://www.house.gov/>.
3. Add information about your company in the bracketed area.
4. Place your letter on company letterhead (or include your street address).
5. Send (email, fax or mail) your letters to your U.S. Senators and Member of the House of Representatives. Fax or email are preferred due to security procedures for mail sent to Washington D.C.
